TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of New London in the
County of Merrimack in said State, qualified to vote in
Town Affairs:*

(L. S.)

You are hereby notified to meet at Whipple Memorial Hall in said New London on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To hear reports of agents and committees heretofore chosen and pass vote relating thereto.
3. To see if the Town will vote to raise the sum of \$8,020.00 to defray Town Charges for the ensuing year and make appropriations of the same.
4. To see if the Town will vote to raise and appropriate the sum of \$75.00 for the observance of Memorial Day.
5. To see if the Town will vote to raise and appropriate the sum of \$2,800.00 for the Town Library for the ensuing year.

6. To see if the Town will vote to raise and appropriate the sum of \$1,641.68 for street lighting for the ensuing year.

7. To see if the Town will vote to raise and appropriate the sum of \$500.00 for cemetery purposes for the ensuing year.

8. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the support of the New London Hospital for the ensuing year. This amount to include \$300.00 for care of Town Poor.

9. To see if the Town will vote to raise and appropriate the sum of \$4,217.15 for Summer maintenance and \$3,000.00 for Winter maintenance of highways, bridges and sidewalks for the ensuing year.

10. To see if the Town will vote to raise the sum of \$508.27, the State to give \$2,033.08, to be expended on Class V highways and make appropriation of the same.

11. To see if the Town will vote to raise and appropriate the sum of \$650.00 for Hydrant service.

12. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other towns in the Dartmouth-Lake Sunapee Region.

13. To see if the Town will vote to raise and appropriate the sum of \$100.00 toward the maintenance of a Skating Rink.

14. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Timber Salvage expense.

15. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Civilian Defense purposes under Fire, Police and Health Departments.

16. To see if the Town will vote to adopt the provisions of Chapter 55 of the Public Laws of 1935 and authorize the Selectmen to appoint a Town Planning Board consisting of five members.

17. To see if the Town will instruct the present Historical Committee to continue with its work.

18. To see what action the Town will vote to take in regard to discount on taxes.

19. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes for the ensuing year.

20. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this twenty second day of February in the year of our Lord nineteen hundred and forty-three.

LEON W. BICKFORD,

HOWARD E. TODD,

WALTER E. GAY,

Selectmen of New London.

A true copy of Warrant—Attest:

LEON W. BICKFORD,

HOWARD E. TODD,

WALTER E. GAY,

Selectmen of New London.

REPORT OF AUDITOR

I have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Trustees, and Trustees of Trust Funds, have compared their several accounts, vouchers and bank statement of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the Town Business for the year ending January 31, 1943.

I have also examined the books and accounts of the Treasurer of the New London Water System Precinct and find them correctly cast and supported by proper vouchers and bank statement of funds on deposit February 1, 1943.

IRA S. LITTLEFIELD, Auditor.

New London, N. H., February 18, 1943.

TRACY MEMORIAL BUILDING

Librarian's Report

This, the sixteenth year of Tracy Memorial Building, has been a very busy one in the library itself for many plans have been carried out to make for a better and more complete service to our patrons.

Although the transportation problem and the distance of the new central school have meant a decrease in our library visitors, we have increased our visitation to some extent by visits from our school children, making for a better appreciation of the library and its almost endless value to those at study. There have been 14,688 visitors, a slight increase over last year. Because the children riding on the school bus have little or no opportunity to borrow books from the library, books are now being sent to the school for circulation from the classrooms. This has helped to increase our circulation and to interest the children in reading books for their own age groups. It is hoped that the high school English classes may visit the library in the near future.

The circulation for the year totalled 14,146 of which 9,392 were fiction, 2,794 were non-fiction, 1,576 were magazines, and 382 were pictures. Books added numbered 430 of which 188 were by gift. Because our library must fill the needs of a school library at the central school, we have added numerous books which will be of especial value to our young people both for reference and enjoyment. Books have been borrowed from New Hampshire State Library, New Hampshire Library Commission, Colby Junior College, Concord City Library, and a few from the Congressional Library in Washington, D. C. Publishers' exhibits of juvenile books have been obtained from the Commission several times during the year. The Bookmobile continues to leave books at the library and is also making a stop at the

home of Mrs. Ashton Nelson to leave books for the people of Elkins. Last year's stop at Elkins school has been omitted because the decrease in pupils has made it possible for our library to fill their needs. Several of our magazines have ceased publication for the duration because of the shortage of paper and help. The magazine files in the upper stacks have been thoroughly gone over and completed where possible. The college girls have used our magazines in increased numbers for reference. Work has been started on both the vertical and pictures files to make them available and more complete for use of the school and general public.

A book inventory, taken during the Christmas vacation period has shown us which of the old books have been discarded, which still need cataloging, and which have been lost and hence need replacing. This will help the librarian to get the catalog into shape so that all books in the library will be shown in the catalog and will be available to the public. A newly added fiction-book catalog has been very helpful in discarding old books to make necessary space for new purchases.

The handwork program in the children's room of the library has again been in charge of Assistant librarian, Mrs. Albert I. Oliver, Jr., with very good attendance throughout the school year. The holidays have been observed with special handwork and stories appropriate to the occasion.

On the Saturday before Christmas the children gathered about a lighted tree for stories and games, followed by candy favors for each.

Among gifts received during the library year are books and magazines from Dr. Anna M. Littlefield, Prof. T. Leslie Shear, Arthur A. Shurcliff, Mrs. John Reid, Miss Grace Denio Litchfield, Mrs. Reverdy and Miss Dorris Smith, Misses Sallie and Elizabeth Waite, Mrs. Louise Q. Weed, Mrs. Wm. H. Dimick, Mrs. H. J. Hall, Mrs. Arthur Whitcomb, Mrs. Mary Howard Butler, Miss Eleanor Hope Johnson, Mrs. Harriet M. Cullen, Ervin Edmunds, Mrs. Philip Blake, Mrs. Wm. M. Kidder, Mrs. John McGann, Mrs. Alfred duPont, Mrs. Henry Heylman, Benjamin Rush, Miss Gertrude Bradley, Mrs. Mary Macomber, Mrs. G. Harley Pierce, Miss Gertrude Jones, Mrs. Gula Plummer, Mrs. Bessie Sargent, J. Duane Squires, Mrs. Dorothy Anthony, Mrs. F. W. Sladen and Colby Junior College library.

Mrs. Wm. M. Kidder, trustee, gave us a daffodil plant for the Easter season. A Joyscope, enjoyed by young and

old alike, was received as the gift of Miss Mildred J. Peaslee, former librarian. A cartridge belt formerly belonging to a member of the Seamans' family, was presented to the library by John Pinard. Senator Herbert D. Swift again renewed our subscription to the Fortune magazine which is used more and more for reference. Some fifty boxes of slides, many of them taken by Mrs. Jane A. Tracy in her numerous travels, were given to the library by Mrs. Lindsay H. Wallace. Our friends were so kind with their generous gifts that it has again been possible for us to give some of our duplicate books and magazines to the libraries of Sutton, Newbury, and Springfield.

Book Week was observed this year with varied displays in the auditorium. Outstanding were the exhibits of Best Sellers of 1942 owned by the library, What We Are Fighting For and Against, and a used book sale as well as an opportunity to purchase new books at a slight discount. Books were loaned to Colby Junior College to accompany their Graphic Arts exhibit of Books Made For Children.

Other than seasonal displays, bulletin boards have been used largely in connection with defense and closely associated projects such as Red Cross and Observation Post workers, and food economy.

Organizations which have met regularly at the library are Woman's Club, Garden Club, 4-H Club and Civic Association. Other groups which have used the building for occasional meetings, committee meetings, and rehearsals are King's Daughters, Sunday School, Hospital Board, Junior King's Daughters, New London Home Industries, Central School, Home Nursing groups, Red Cross and the Town Budget Committee. Mrs. Helen Colburn held a recital of her piano pupils in the auditorium.

Vault and deposit box space has been used to its fullest this year with boxes rented practically all the time and storage space fast filling up.

During July and August the librarian was privileged to attend a six-week library summer school at Syracuse University during which time Mrs. Albert I. Oliver, Jr., was in charge of the library, assisted by Miss Jean London. Your librarian also had the opportunity to be present at two sessions of the Boston Herald Book Fair this fall and was so fortunate as to win a book at the opening session.

Our part-time janitor and caretaker, Eugene Lorden, was relieved during the summer months by Edward Dexter, who helped to care for the library grounds. Our oil burner is soon to be converted to coal which may necessitate a full-time janitor.

The spring meeting of District No. 7, New Hampshire Library Association, was omitted because of transportation difficulties. However, at the fall meeting held at Claremont, New London was represented by Mrs. Wm. M. Kidder, trustee, and the librarian. They also attended the New Hampshire Library Convention held in Concord.

Early in the year with other librarians of the state, your librarian served as local chairman of the Victory Book Campaign. The local committee set a goal of "1039 or one book per person" which we felt was a very easy goal. We succeeded in collecting some 600 books which were sent to Concord Public Library for sorting and then to our men in the armed forces.

A scrapbook dedicated to our young men in the armed forces may soon be seen at the library. A Red Cross project, in charge of M. Roy London, it will devote an entire page to each service man with his picture, current address and items of interest and will be kept up to date by Mrs. Albert I. Oliver, Jr., through the cooperation of those closely connected with these men. This activity should be of interest to everyone and help to keep us more aware of the part our boys are taking in this great conflict and of how much we on the home front can contribute to their aid.

Respectfully submitted,

LENNIE M. MESSER, Librarian.

REPORT OF THE NEW LONDON HOSPITAL BOARD AND NURSING ASSOCIATION

Secretary's Report

During the year of September, 1941 through August 1942, the Hospital Board has held regular monthly meetings and several special meetings. The following are some of the changes and additions which have been made at the Hospital.

The Medical Staff has continued to hold monthly meetings to discuss problems and policies of the Hospital, and just recently Dr. Leslie Sycamore of Hanover, N. H., became a member of the Staff in the capacity of Radiologist for the Hospital. The Staff and Hospital Board feel most fortunate in securing the services of Dr. Sycamore.

Miss Bessie Ward, formerly of Westmoreland, N. H., accepted the position of Superintendent at the New London Hospital in April, to fill the position previously held by Mrs. Cooke; on October 12th, Miss Helena Gorman of Burlington, Vt., joined the staff as technician, and in the same month Miss Edith Nordstrom of Boston, Mass., was engaged as bookkeeper.

Miss Brennon's house has been rented as a home for the nurses since the rooms which the nurses formerly occupied are being used for patients.

In place of the annual Hospital Day, the Board voted to have a Hospital Week. On Tuesday, August 18th, an auction was held, luncheon was served, and the Hospital Aid Association had booths; on Friday there was an afternoon and evening showing of the movie, at which time a number was drawn to determine the winner of the War Bond, tags for which had been on sale all week. Also during the week letters had been sent out requesting gifts of money. The financial result of Hospital Week was \$1,641.43.

The Hospital Aid Association found it possible to give the Hospital the sum of \$700, which was applied to the Hospital mortgage, and the Board wishes to gratefully acknowledge the Hospital Aid Association's fine gift.

At the Annual Meeting held September 2nd, the following members were elected to the Board to take the place of those persons whose terms had expired: Mrs. Stanley Spiller, Vice President; Mr. C. Vance Allyn, Treasurer; Mr. Clayton Fisher and Dr. H. Leslie Sawyer. Mr. Herbert Swift was re-elected as President, and Mrs. James B. Woodman, Jr., as Secretary.

After due consideration of all available information, the Board voted that in view of the present uncertain coal situation, it would not be justified in converting the oil heating system at the Hospital to one of coal.

Through the generosity of three individuals, money has been given the Hospital to provide several units of blood plasma. The Board wishes to express its sincere appreciation to these persons who are making it possible for the New London Hospital to have blood plasma, a most necessary item in many emergency cases. The Board also wishes to thank the women in the community who have donated their services to the Hospital, as well as to the retired Registered Nurses in New London, who are performing such an excellent service at the Hospital.

The Medical Staff had intended to buy an operating table with a personal gift of money donated to the Hospital, but because it was not possible to secure the desired type of table, a much needed delivery room light was purchased.

The fact that the New London Hospital has such a fine standing is due to several reasons, not the least of which is the interest and support of its many friends. The Board is deeply grateful to all those persons who have given so generously of their time, their work, and their financial help. In order to keep up the high standards and to continue in the worthy work which it has done, the Hospital must have, and believes you are willing to give, your untiring interest and constant support.

HOSPITAL AID ASSOCIATION REPORT

For the Year Ending October 1, 1942

During the past year all day meetings have been held at the homes of members with a very large attendance at most of them. Lunch was served at the meetings until the numbers became too large, when it was voted to bring basket lunches. The average attendance has been 23.

At these meetings the Hospital mending has been done, also work done on linens for the sale on Tag Day.

The money raising activities have been such as the Rummage Sale, and popcorn sold at Town meeting. Donation Day was held as usual with a very generous response. The membership drive was very successful.

At the March meeting, guests from surrounding towns were entertained. The highlight of this meeting was the opening of the Blackbird pie, a new money raising scheme which netted \$78.93.

Respectfully submitted,

EVELYN D. MESSER, Secretary.

A REPORT BY THE COMMITTEE APPOINTED
TO STUDY PLANNING AND ZONING IN
NEW LONDON

The town meeting of March, 1942 voted to authorize the moderator to appoint a committee to study planning and zoning in New London. The committee found that the town has shown a definite increase in its population growth since its low point, reached in 1920. The population in the last census (1940) was the highest ever recorded, 1039 people. There has also been a general tendency toward increased building of homes near the village center, contributing considerably to the street system of the town and also adding to other services.

Two major influences have contributed to the town's recent growth; one the location of Colby Junior College on the hilltop, and the second the number of summer residents, hotels and boarding houses, and boys and girls' camps located on the lake fronts. The growth of the town has, so far, proceeded without any planned direction except that imposed by large private land holdings.

This committee recommends that a Town Planning Board be adopted to study the future growth of the town and to make recommendations for the guidance of the people in town meetings in matters relating to the future development of the town. Some of the problems which such a planning Board can study and make recommendations for are:

1. The type of community development justified by its resources, skills, and economic conditions and that desired by the community.
2. Estimates of the probable population growth of the town based upon past and current trends and economic prospects.

3. Estimates of present and future prospects for industrial, recreational or other types of economic development.
4. Streets and highways, with a view to greater services to the people and less cost in street maintenance.
5. The development of business centers having adequate street width, adequate parking and based on the future probable need for the expansion of the business center.
6. The development of residential areas so as to avoid undue noise, traffic and traffic hazards.
7. The development of adequate parks and playgrounds, essential to a healthy happy community.
8. The preparation of a zoning ordinance acceptable to all the people and providing reasonable regulations for the maintenance and stabilization of property values.

The committee wishes to point out that many towns in New Hampshire have authorized the selectmen to appoint planning boards. *A planning board does not have the power to create any regulations but can only study conditions in a town and recommend the adoption by town meeting of any regulations.*

The committee further wishes to point out that the selection of a planning board be made with a view to getting a well rounded representation. As many different fields as is possible should be represented on the board. The committee further recommends that a planning board be directed to hold meetings at regular intervals such as monthly or quarterly.

WILLIAM P. CLOUGH, Jr., Chairman,
 WAYNE K. WHEELER,
 ROBERT G. SAWYER,
 PAUL B. GAY,

REPORT OF THE NEW LONDON SCHOOL BUILDING COMMITTEE

The development of the new school project for New London as reported on by this Committee to the present year may be glimpsed in the annual **Reports of the Town of New London** as follows: **Report** for the year ending January 31, 1940, pp. 84-87; **Report** for the year ending January 31, 1941, pp. 77-85; **Report** for the year ending January 31, 1942, pp. 74-78. The following statement is the fourth annual, and the concluding report in this series.

On October 12, 1942 the new school was formally dedicated and officially opened for public use. Upwards of five hundred people were in attendance at the opening exercises, and at the inspection of the building which followed. A dedicatory program consisting of short greetings from state officials, local officers, teachers, and students was presented, and the allegorical mural painted by Mr. Merritt was unveiled.

Among the features of the new building, with its complete facilities for twelve grades and its auditorium-gymnasium unit, the chief ones are the following:

Reinforced concrete foundation walls.

Structural steel frame.

Reinforced concrete floors.

Exterior walls of 12-inch masonry, faced with hard-burned Epping brick.

Interior partitions of tile construction, with dado of Ohio Ironspot tile.

Fireproof construction in the main building on the first and second floors and in all stair wells.

Nine school rooms in main building, with four set aside for the grades and five for the high school, and a total eventual capacity, if needed, of over 250.

Auxiliary rooms, including a headmaster's office, seven toilet rooms; janitor's closets; laboratory storage rooms; library alcove.

Half basement, with nurse's room; shower rooms each for boys and for girls; a large shop room; and boiler room with storage for coal adjacent.

An auditorium 52x72 feet with standard-sized basketball floor, roofed with Teco trusses, faced with Iron-spot tile dado, and capable of seating comfortably approximately 600 persons.

A stage with dimensions of 26x28 feet, completely equipped with curtain, backdrop, valances, footlight facilities, border lights, switchboard, radio outlets, and two entrances.

Forced hot-water heating with a hand-fired coal-burning furnace, operating through three heating zones.

All modern plumbing, including five drinking fountains.

Modern wiring, including an inter-room buzzer system operated from the headmaster's office; a forced ventilation system in the cupola, also operated from the headmaster's office; and wiring for electrical clocks in every room.

The exterior dimensions of the main building are 56x112 feet, and there are approximately 425,000 cubic feet in both parts of the complete structure, with a unit cost of about 17c per cubic foot.

A complete financial statement on the new building, the grounds, professional services, and miscellaneous items, is presented in connection with the annual report of the New London School Board, printed elsewhere in this volume. The Building Committee desires to repeat its statements of last year that in its belief every dollar has been well spent and carefully disbursed. Numbers of visitors to the town have marveled at the low total cost of the new school, and have freely stated that in their opinion it could not have been secured for less than a hundred thousand dollars.

There are some minor adjustments which must be made this spring, but the Swanburg Construction Corporation has indicated its entire willingness to attend to the same, and the final payment to the builders will not be made until these concluding services are given to the building.

After four years of steady attention to the new school project, the Committee would like to conclude its work with an expression of appreciation to all who have assisted in the program from the day it was first broached in the School Meeting of March 11, 1939. There have been literally countless difficulties in the completion of the building, and the whole shape and condition of the world have altered since 1939. Whether, knowing what we know today, the people would have voted in 1939 and in 1940 and in 1941 to act as they did is a wholly fruitless speculation now. The fact is that certain decisions were taken, and the work has been carried out accordingly. In the working out of the innumerable problems which have arisen every member of the Committee has given of her or his best. To all the people who by their comments, criticism, or encouragement have stimulated the Committee into getting the finest possible school for New London's children we say a sincere and hearty "Thank You".

EMMA L. COLBY,
DURA P. CROCKETT,
ANN PARDY,
ALMINA C. SMITH,
J. DUANE SQUIRES, Chairman,

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the town of
New London qualified to vote in district affairs:*

You are hereby notified to meet at the Whipple Memorial Hall in said district on the sixth day of March, 1943, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see what sum of money the district will vote to raise and appropriate for oiling drives and parking area at new school.

Given under our hands at said New London this 15th day of February, 1943.

DURA P. CROCKETT,
ALMINA C. SMITH,
WAYNE K. WHEELER,
School Board.

A true copy of Warrant—Attest:

ANNUAL REPORT OF DISTRICT TREASURER

Fiscal Year Ending June 30, 1942

Summary

Cash on Hand June 30, 1941 (Treasurer's Bank Balance),	\$931.54
Received from selectmen, appropriation for current year,	\$24,438.25
Balance from previous appropriation,	1,000.00
Dog Tax,	272.47
Received from all other sources,	1,700.87
	<hr/> 27,411.59
Total Amount Available for Fiscal Year (Balance and Receipts),	\$28,343.13
Less School Board orders paid,	25,095.80
	<hr/>
Balance on Hand as of June 30, 1942 (Treasurer's Bank Balance),	\$3,247.33

JULIA E. TODD,

District Treasurer.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London, of which the above is a true summary for the fiscal year ending June 30, 1942, and find them correct except for a difference of \$15.29 between the records of the School District and the National State Capitol Bank of Concord, New Hampshire.

M. ROY LONDON, Auditor.

July 13, 1942.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board:

I herewith submit my ninth annual report as Superintendent of Schools.

New Building

On the ninth day of last September about two hundred pairs of feet sloshed over rain-soaked mud (our ungraded school grounds) to enter the new Central School Building with its brightly waxed tile floors. All around was the atmosphere of newness and the consciousness of space. Here were attractive classrooms with all the fittings of a modern school. There were adequate accommodations for coats and hats—and lunch boxes, too—in each room. Large windows let in plenty of light and an excess of sunshine (after the rain of the opening week), for our window shades did not arrive until later. There were toilets and drinking fountains on each floor.

The entering pupils literally trod on the heels of the departing workmen for there were still several odd jobs to be done. Outside a steady procession of trucks unloaded gravel on the roadway where it was pushed into place by busy graders.

Best of all the pupils beheld a spacious auditorium-gymnasium with an ample stage. And so with excitement and anticipation the children found their new rooms and settled down for another year's work. Within an hour school was proceeding as usual so that a visitor would scarcely know that an entire educational institution had been newly transplanted.

Besides the usual classrooms there are these accommodations:

Library, off the English room, equipped with many shelves and two large reading tables.

Domestic Arts room, not yet furnished, with outlets for water, gas, and electricity. It is now used as a music room, where all classes receive instruction in singing and music appreciation.

Shop, not yet equipped on account of the scarcity of teachers and material.

Showers for both boys and girls.

Room for nurse or teachers.

Space under stage for storage, as large as the stage itself.

There are ventilating ducts from each room, with an exhaust fan under the cupola.

The building is heated by forced hot water. There are three circuits, each controlled by a thermostat.

Some economies had to be made to keep within our appropriation (\$80,000.00) in compensation for rising costs of materials and labor. Chief of the things omitted were: (1) a lobby at main entrance of auditorium (rear of building), with ticket office, check-room, toilets, and moving-picture booth. (2) Ceiling in auditorium. (3) Clocks for each room.

Fortunately a substantial balance (\$3,247.33) was carried over from 1941-42, produced partly by savings in budget expenditures and partly by increases in miscellaneous income. The balance enabled the School Board to provide equipment which is absolutely necessary for successful operation of the school. This equipment included 400 chairs for the auditorium, curtains for the stage, typewriter tables, teachers' desks, tables for the library, extra shelving (not in the contract), drain in back of the building and cement walks. It also helped pay for the expenses of moving from the old building.

The supports for the baskets (for basketball) in the gymnasium were made and installed by Mr. Dura P. Crockett and Mr. Wayne K. Wheeler at hardly any expense to the School District. They also painted the lines on the gymnasium floor and installed the cyclorama and lights on the stage. Several ladies assembled the monk's cloth cyclorama. Many thanks are due these friends of the school who made possible a fuller use of the auditorium.

Those of us who use and enjoy this fine modern building wish to express our deep appreciation to Dr. J. Duane Squires and his able committee whose untiring efforts brought into being our long-cherished dreams of a new school building. The consummation of our hopes is due to the magnificent cooperation of town officials, School Board, Building Committee, Architect, workmen, and citizens of a progressive town.

We are grateful to Mrs. Leroy Mitchell for the use of part of her land as a playground this year.

We acknowledge with thanks a gift of \$25.00 from Mrs. Christine Morey.

We should be most happy to acknowledge sometime the gift of a grand piano for the auditorium.

OPENING EXERCISES OF THE NEW CENTRAL SCHOOL

7:30 P. M.

Monday Evening, October 12

Anno Domini—1942

Anno New London—163

Order of Exercises

I

7:30-8:00 P. M.

All classes in session. Parents, friends, and visitors are invited to visit any grade or high school classes.

II

8:00 P. M.

Formal Dedicatory Program in the School Auditorium
 J. Duane Squires, Chairman of the
 Building Committee, presiding

Invocation, The Rev. Harold W. Buker

Salute To The Flag, Led by Raymond Gay,
 New London Troop, Boy Scouts of America

Selection by the Girls' Glee Club of the New London
 High School, Mrs. Alberta Fisher, Director

Greetings for the Occasion

For the Architects, Mr. I. W. Hersey

For the New London School District,
 Supt. Alfred W. Smith

For the High School Faculty,
 Headmaster Albert I. Oliver, Jr.

For the High School Students,
 Walter T. Moreland, Jr.

For the Grade School Students, Henry Homan, Jr.

Presentation of the Keys to the New Building,
 Mr. Leon Keysar of the
 Swanburg Construction Corporation

Acceptance of the Keys, Mr. Dura P. Crockett,
 Chairman of the New London School Board

Selection by the Boys' Glee Club of the New London
 High School, Mrs. Alberta Fisher, Director

Reading of New London's High School Roll of Service,
 Mrs. Emma L. Colby

"The Star Spangled Banner", Audience

Benediction, The Rev. Harold W. Buker

III

9:00 P. M.

Unveiling of the allegorical mural, "Procession of Youth" in the first-floor corridor. This painting was designed and executed by Mr. Francis Merritt of New London.

IV

Informal Inspection of the new building. Student guides will be posted in rooms and corridors to explain to all interested persons the features of the structure.

Historical Highlights on the New School

March 11, 1939: Committee of three appointed to study problem of a new school for New London.

March 9, 1940: Committee enlarged to four and instructed to work with School Board to prepare plans for a new school building.

March 8, 1941: Town voted to build new school along lines of plans submitted by the Committee.

April 23, 1941: Site agreed upon by unanimous vote of special committee.

July 26, 1941: Contract for new building let to Swanburg Construction Corporation of Manchester, N. H., for \$72,975.00.

August 21, 1941: Ground broken for construction.

October 13, 1941: Corner-stone laid.

September 9, 1942: School opened in the new building.

October 12, 1942: Dedication and House-warming of new building.

The School Board and Building Committee wish to express their hearty appreciation to the following persons and firms who have worked together to make the new building a reality:

The following sub-contractors:

- L. N. Parenteau, Manchester, N. H. (Plumbing).
- Martin Fireproofing Co., Boston, Mass. (Masonry).
- Orr and Rolfe, Concord, N. H. (Heating).
- D. F. Shea Co., Nashua, N. H. (Painting).
- M. J. Murphy & Sons, Dover, N. H. (Roofing and Asphalt Tile Floor).
- M. J. McIntyre, Manchester, N. H. (Plastering).
- Roland Lemire, Manchester, N. H. (Electrical work).
- Henry Stanley and his associates for grading and road-construction.
- Homan the Florist, for landscaping.
- Horace C. Stanley for installing sidewalks, flag-pole, and playground equipment.
- Dura P. Crockett for moving school furniture and other properties from the old building.
- Edward Dexter, for washing countless windows and otherwise preparing the building for use.

Attendance

The new building has apparently had no effect on the enrollment this year. Later, when we have courses in practical arts we may get more tuition pupils.

The removal of several families from town has reduced the second grade (Central School), to five pupils and Elkins School to thirteen.

During the school year 1941-42 there was a slight improvement in attendance and a marked improvement in punctuality.

Teachers

Miss Katherine Lynch, teacher of grades 5 and 6, resigned to take a position in Springfield, Vermont. Her place was taken by Miss Helen Mallis of Berlin, N. H. She graduated from Plymouth Teachers' College, 1942.

Mrs. Dorothy E. Jones, teacher of commerce, resigned in June and was succeeded by Miss Ruth Theuner, Plymouth Teachers' College, 1942. Miss Theuner was married to Mr. Paul Cross, November 21, 1942.

Mr. William N. Nichols left to enter the army, November 7, 1942. After the Thanksgiving recess Mr. Harry L. Wechter of Dalton, Massachusetts, took over the science courses. He is a graduate of American International College 1937, and has been employed by the Crane Paper Company. In the interim Headmaster Oliver and three members of the faculty of Colby Junior College, divided the classes left without a teacher. We are indebted to Dr. H. Leslie Sawyer, Mr. Guy Williams, and Mr. Walter Moreland for their cooperation in carrying on the work of the High School while we are without a regular science teacher.

Miss Katherine Gage, teacher of English and French, was married to Mr. William N. Nichols, November 7, 1942.

The school spirit has been excellent this year, revealing a good attitude and more serious work.

In addition to the Student Council in the High School, an additional Student Council for the elementary grades has been established, meeting every Wednesday noon. There are representatives from grades 3-8, inclusive. They discuss questions of procedure and conduct. They hold a student court when necessary.

In the High School special work is carried on in the fundamentals of Arithmetic, English and Geography one day a week.

Informal dances are held under the direction of Miss Mallis.

A schedule of physical exercise is carried on in the gymnasium for all pupils in school. The grade children work under the direction of several young ladies from the Physical Education Department of Colby Junior College, who give their services for the experience. Their assistance is very much appreciated.

Emergency Activities

The impact of war has of course affected the schools. Senior and junior boys are taking a pre-flight course in aeronautics under Mr. Oliver, who had instruction of this subject at the summer session of New Hampshire University. During the second semester it is planned to introduce some of the pre-induction training recommended by the War Department.

Pupils have each week purchased war savings stamps. During the fall term the total amount of stamps purchased was \$608.75 in the Central School and \$15.00 at Elkins.

The thirteen pupils at Elkins School collected six tons of scrap metal which was sold for \$32.70. This money was used to buy war savings stamps. This is an impressive record for so small a school.

The teachers helped in the registration connected with the rationing of sugar; gasoline, and fuel oil.

Recommendations

1. A ceiling should be installed in the auditorium to make it possible to heat the room in winter. The original plans called for a ceiling and the heating arrangements were planned accordingly. It is impossible to make the room comfortable on a cold day since the warm air goes way up among the rafters, where it of course becomes cool.
2. The electrical equipment of the stage should be completed by the installation of footlights and a rheostat.
3. Electric clocks should be provided for all the classrooms. The necessary outlets are in place.

4. The athletic grounds should be graded so that the various sports can be played by the pupils and townspeople.

I want to express my deep appreciation of the fine co-operation of all my co-workers.

Respectfully submitted,

ALFRED W. SMITH,

Superintendent of Schools.

REPORT OF SCHOOL NURSE

January 1, 1942—January 1, 1943

117 School Visits.

75 Home Calls.

98 Conferences with officials, teachers, students and
for business.

176 Routine Physical Examinations.

182 Defects found.

42 Children accompanied to physicians, dentists,
oculists, and hospital.

20 Treatments in schools.

- 1 Treatment in home.
- 11 Exclusions.
- 6 Health talks.
- 157 Given audiometer tests and 21 retests.
Red Cross Home Nursing class organized; 11 girls
are being instructed in the course.
- 75 Children given Schick test by Drs. W. P. Clough,
Sr., and W. P. Clough, Jr. Tests read by Dr. Clough,
Sr. 50 children reacted and will receive the Toxoid.
A tonsil clinic was arranged for in June; co-operat-
ing agencies being the School Board, Hospital
Board, H. D. Swift, Drs. W. P. Clough, Jr., and
A. F. Wright, New London Woman's Club, and
Red Cross.

Approximate number of hours spent in school nurs-
ing, 244.

To all who have aided me in the various activities
of my work as school nurse, I am deeply grateful.

Respectfully submitted,

DELLA C. SPILLER, R. N.,

School Nurse.
